

“Because I believe in the cycle of blessing
- sowing and reaping”

Here is my estimate of giving to the ministry of First Metropolitan Community Church

This is an estimate of giving. This pledge card lets the church Board have a better understanding of the projected giving of this congregation. It helps us predict future income. You will not be billed for your pledge amount. We also understand that from time to time people are not financially able to keep a pledge. First MCC is about grace and we are so appreciative and thankful for your sharing an estimate of giving.

Please mark the boxes

Thank you for your prayerful support of First MCC. This church could not do the incredible ministry it does without your generous giving. Your gifts are making a difference in this world.
